D.O.No. P-7(3)/2016-PMC/Pulses

15th October, 2016

Dear Chief Secretary,

As you may be already aware, Government has offered subsidized Tur and Urad from the buffer stock of pulses to the States/UTs for distribution through State Channels at reasonable rates. Given the uptrend in the prevailing prices of Chana, Government has now decided to release subsidized Chana to the States/UTs for retailing through their distribution networks at reasonable rates.

2. Chana from the buffer stock will be offered at a subsidized rate of ₹50/- per kg. for retail sale of Whole Chana at ₹67/- per kg and Chana dal at ₹78/- per kg. respectively. The terms & conditions for the allotment of Chana will be same as in case of Tur and Urad.

3. I, therefore, request you to indicate your monthly/overall demand including 'Nil' demand for Chana by return mail (hempande@nic.in).

Yours sincerely,

(Hem Pande)
